

“HAPPY HOUR” - HOUSEMARTINS

“Happy Hour” és un tema del grup de pop anglès The Housemartins. Van començar el 1983, i tres anys després aquesta cançó va escalar fins a la tercera posició de les llistes d'èxits angleses. Aquest mateix any van gravar el disc “London 0 Hull 4”. Dos anys després el grup es va separar però ens van deixar cançons com aquesta, que han marcat una època del pop.

LLETRA

**It's happy hour again
I think I might be happy if I wasn't out with them
And they're happy it's a lovely place to be
Happy that the fire is real the barman is a she
Where the haircuts smile
And the meaning of style
Is a night out with the bass
Where you win or you lose
And its them who choose
And if you don't win then you've lost**

**What a good place to be
Don't believe it
'Cause they speak a different language
And it's never really happened to me
It's happy hour again
Don't believe it
'Cause they speak a different language
And it's never really happened to me
It's happy hour again**

**It's another night out with the boss
Following in footsteps overgrown with moss
And they tell me that women grow on trees
And if you catch them right they will land upon their knees**

**Where they open all their wallets
And they close all their minds
And they love to buy you all a drink
And then we ask all the questions
And you take all your clothes off
And go back to the kitchen sink.**
